

vocation prayer

Lord, you have presented me with a variety of choices and have simply asked that I choose the path of life.

As I look at the road ahead of me, I can see the array of lifestyles, careers and vocations you have made available. I ask for your guidance and companionship as I choose which path to follow.

Help me to know the way that will enrich my life and bring me closer to you.

If you are leading me towards the life of a priest, help me to overcome my fears and give me the courage to look more closely at this vocation.

Father of love, be my guide.

Christ the Priest, be my mentor.

Holy Spirit of fire, be my inspiration.

Amen.
