'QUO VADIS' means in Latin:
"Where are you going?"

VOCATION PRAYER

Jesus, you have presented me with a variety of choices and have simply asked that I choose the path of life.

As I look at the road ahead of me, I can see the array of lifestyles, careers and vocations you have made available. As I ask the question 'Where am I going?' I ask for your guidance and companionship as I choose which path to follow.

Help me to know the way that will enrich my life and bring me closer to you.

Amen.
